Re: Application of Woodland Utilities, Inc. for Adjustment of Rates and Charges for the Provision of Sewer Service - PSC Docket No. 2007-61-S.

Dear Mr. Terreni:

Per the Company's last rate case proceeding, Docket No. 2007-61-S, Order No. 2007-473 dated August 8, 2007, Woodland Utilities, Inc. was ordered to maintain its books and records in accordance with the National Association of Regulatory Utility Commissioners (NARUC) Uniform System of Accounts. Furthermore, it was requested that the "Office of Regulatory Staff investigate and report back to this Commission not later than six months from the date of this Order as to the Company's progress in implementing this System of Accounts."

In response to Order No. 2007-473, the Office of Regulatory Staff (ORS) requested the Company provide its chart of accounts and most recent general ledger for review. ORS conducted an examination of the books and records provided by the Company and determined that the Company has implemented the NARUC Uniform System of Accounts for Class B Wastewater Utilities..

If ORS can be of further assistance, please let me know.

Sincerely,

Nanette S. Edwards
